Press Biography

Having played over 2300 shows, The Vic Ferrari Band is an extremely sought after variety band. Playing venues large (Rockfest, Oktoberfest, and Summerfest) and small (weddings, casinos, and corporate events) they have performed across the U.S., the Caribbean, and Mexico. The Vic Ferrari Band was founded in 1988 with no more than a name originating from Andy Kaufman's character in the hit television show "Taxi" and a big dream. A love of music and a passion to entertain has driven the seven piece ensemble to excel in winning over any audience. Playing a mix of classic rock from the 60's to today, country, and crowd favorites the band is known for sounding as good as the original artist and sometimes even better accompanied by outstanding production. The Vic Ferrari Band are happiness providers that put on an energetic and entertaining show!
